Behavior Contract--Instrumental, Guard, and Choral Students

My student and I have read the “Behavior Contract--Instrumental, Guard, and Choral Music Students,” and agree to its terms and will help to ensure the proper behavior of my student within the music program of Westmont High School. Because of the performance nature of any music program, my student and I understand that I am a representative of my program and school at all public and private functions. I, (the student), understand that there are no public displays of affection with significant others while in uniform, that I will sit with members of my program when required and that swearing and negative comments towards others--including my own school or other programs--while in uniform is prohibited as you are representing your program and school. By signing below, I am acknowledging that the Director will be making decisions at her discretion based on the well-being of the music ensembles and their related activities in terms of how the students, including my student, conduct themselves. I also understand that for my student to be a part of the instrumental and/or choral programs at Westmont, I must sign this form below indicating my understanding and acceptance of the above outlined behavioral expectations.
