Parent/Guardian

I understand that there is a Marching Band and Color Guard financial commitment of \$950.00 for the 2016 season associated with each member of the WHS Warrior Regiment Marching Band, and \$750.00 for each additional sibling.

Your financial commitment provides:

- Stipends for all Instructors
- Music Licensing
- Custom Drill Creation
- Bus transportation for all competitions except to Feste Del Mar
- Competition Registration Fees
- Transportation and Hotel Fee for Championships
- Snacks for Band Camp
- Snacks and Dinner at every competition
- Show Gloves
- Show T-shirt
- Cleaning of uniforms at the end of the season

Finally, I understand that if I anticipate any difficulties in meeting this monetary requirement, I agree to meet with the music director and the booster president to discuss the commitment.

I understand that if I do not pay the fair share fee, my student(s) and I will fully participate in all department fundraisers. All financial matters will be kept

confidential and shared only with the music director, treasurer, and president of boosters. *Money should not keep a student from marching this season.*

If students are enrolled in Marching Band PE (10th and 11th grade), I understand that marching band is considered a class and students will only be excused for medical and family emergencies. Students' grades are determined by their attendance and adequate participation at all rehearsals and competitions regardless of sections.
